RFP Reference: ZAVA-IT-RFP-2026-008 | Bidder: Apex Technology Bhd | Submitted: 12-May-2026 | Validity: 90 days | Bidder Contact: Vijay Subramaniam (Account Director)

1. Executive Summary

Apex Technology Bhd is pleased to submit our response to Zava Group's RFP for the Group ERP Implementation Programme. We bring 14 years of S/4HANA implementation experience across 22 ASEAN conglomerates, a dedicated 320-person regional practice, and demonstrated ability to deliver multi-country ERP transformations on time and on budget. Our proposed solution implements SAP S/4HANA 2024 across all 9 divisions in 28 months with a phased rollout aligned to your risk appetite.

2. Proposed Solution Architecture

- Core: SAP S/4HANA 2024 (Public Cloud Edition where suitable, Private Cloud for regulated entities)
- Add-ons: SAP Analytics Cloud, SAP IBP, SAP Concur, SAP SuccessFactors
- Integration: SAP Integration Suite + Group EAI bus
- Localisation: Malaysia (e-Invoicing LHDN), Indonesia (e-Faktur), Singapore (IRAS), Vietnam (e-Invoicing GDT)
- Reporting: SAP Group Reporting with statutory + management views
