

Venture Capital / Private Equity Fund Manager – Sample Application

Venture Capital / Private Equity Fund Manager – Sample Application

Applicant: Pacific Frontier Capital Partners • Application ID: IMD-VCPE-2026-0014 • Submission date: 2026-04-19

1. Manager overview

First-time institutional fund manager raising a USD 75 million ASEAN growth-stage fund (Pacific Frontier Growth Fund I). Strategy: Series B/C in fintech, healthtech, and climate tech across Indonesia, the Philippines, Vietnam, and Malaysia. Target IRR: 22% net of fees.

2. Team and track record

- Managing Partner: Daichi Maruyama — 14 years VC, ex-corporate VC arm of a regional bank.
- Partner: Hadar Caspit — 11 years growth equity, ex-Tier-2 global PE firm.
- Operating partners: 2 retained on advisory basis (fintech regulatory, climate tech go-to-market).
- Aggregate prior deals: 27 investments, 6 realised exits, weighted gross MOIC 2.4x.

3. Fund structure

Closed-end limited partnership, 10-year life with two 1-year extensions. Management fee 2.0% on commitments during investment period, then on invested capital. Carry 20% over 8% hurdle, European waterfall. GP commitment 2.5%.

4. Compliance and operational readiness

- Administrator and depositary: Tier-1 service provider engaged.
- AML/CFT, sanctions, and PEP screening tooling in place.
- ESG framework aligned to IFC Performance Standards.
- Conflict-of-interest policy and personal-account-dealing policy documented.

5. Risk disclosures

Concentration risk (first fund, single strategy), liquidity risk (10-year lock), foreign exchange risk (multi-jurisdiction), regulatory risk (heterogeneous ASEAN regimes). Mitigations documented in section 7 of full application pack.
