

Private Credit Fund Manager — Sample Licence Application

Private Credit Fund Manager — Sample Licence Application

Applicant: Apex Mezzanine Partners Sdn Bhd • Application ID: IMD-PC-2026-0009 • Submission date: 2026-04-25

1. Strategy

Senior secured and unitranche direct lending to ASEAN mid-market sponsors and family-owned businesses. Ticket size USD 10–35 million. Target gross IRR 13–15%, fund-level leverage capped at 1.0x. Sectoral focus: industrials, healthcare services, business services.

2. Target investor base

- Pension funds and insurance balance sheets — 55% of target raise.
- Sovereign wealth and development finance — 20%.
- Family offices and HNWI feeders — 20%.
- GP and affiliated commitments — 5%.

3. Risk framework

Single-borrower cap 12% of commitments; sector cap 25%; covenant package required on every facility (maintenance financial covenants, info undertakings, change-of-control); independent valuation quarterly.

4. Key persons

- Head of Investments: Mod Admin — 16 years leveraged finance.
- Head of Credit: Sasha Ouellet — 13 years credit underwriting.
- Head of Compliance: Hadar Caspit — 19 years compliance and risk.
- Independent Risk Committee: 2 external members appointed.

5. Conflict management

Cross-fund conflicts (where the same sponsor is in multiple vintages) escalated to the Independent Risk Committee. LP advisory committee consent required for connected-party transactions. Allocation policy documented and refreshed annually.
