

Creative Asset Library — "Future Forward" Campaign

Zava Group Marketing · Asset Production Log · Campaign Q1 FY2026

1. Hero Concepts

Three hero films produced (30s, 15s, 6s). Same narrative spine, market-localised versions. Total post-production cost MYR 220k including talent, locations, and licensed music.

2. Asset Inventory

3 hero films + 15 cutdowns + 24 static creatives + 8 storyboards + 12 carousel creatives + 18 banner sizes. Total assets produced: 80.

3. Market Adaptations

- Malaysia — Bahasa Malaysia + English versions; KL SME testimonial; outdoor at Bukit Bintang + Mid Valley.
- Indonesia — Bahasa Indonesia versions; Jakarta + Surabaya SME testimonials; outdoor at Sudirman + Kelapa Gading.
- Singapore — English version with localised CTAs.
- Philippines — Tagalog version; Manila SME testimonial.

4. Performance Highlights (Asset-Level)

- Cutdown 6s entrepreneur — highest CTR 4.2%, lowest cost/engagement MYR 0.19. 22.6M impressions.
- Reels partner — 5.4% CTR; 21.4M impressions; partnered with hero influencer.
- Hero film 30s — strong brand lift contribution, lower direct CTR (2.8%).
- Static creatives — lower CTR but useful at top of funnel.

5. Brand Compliance

All assets reviewed against the Zava brand guidelines and Group risk compliance checks before going live. No takedowns or recalls during campaign.

6. Assets Archived

Full asset library archived to brand DAM (digital asset management). Reusable assets tagged for future campaigns. Estimated reuse value MYR 60k.
